TEAM DEFINITION

A swim team is defined in the 2026-2027 National Federation Swimming and Diving Rulebook. The team **and its individual swimmers** must have competed in four (4) interscholastic team meets on four (4) different dates during the MPA defined swim season.

BONA FIDE TEAM RULE

Maine Swimming Bona Fide Team Rule

Adopted 11-19-04; Amended 11-16-05, Amended 5-10-12, Amended 5-25-19

A member of a school team is a student athlete who is regularly present for and actively participates in team practices and competitions. Bona fide members of a school team are prevented from missing high school practice or competition to compete or practice elsewhere.

- Two waivers per student athlete per sport season may be granted by the principal on a case by case basis for extraordinary circumstances. (e.g. If a student / athlete were invited to participate in a prestigious weekend event then a waiver may be granted. If a student / athlete were invited to participate in a nationally recognized tournament over a school vacation, then **that** waiver may be granted for that activity. If a student / athlete requests to miss practice every Friday because he / she is receiving specialized coaching from an outside team / coach, then a waiver should not be granted **because it violates the spirit and intent of the rule.**
- Suspension from the school team should not be used as an avenue to access outside meets or events, as that would also **violate the spirit and intent of the rule.**

This policy is not intended to restrict dual sport participation in schools that allow dual participation.

Penalty for violation of this policy:

1 st Violation	Report violation to MPA office, suspension from play for one game / contest.
---------------------------	--

MANDATORY CLINICS

The head coach of the varsity boys' and girls' swim teams (or a member of the staff) of each participating school is REQUIRED to attend one clinic:

- The Maine Swim Officials Association is hosting official's clinics on October 19 at the Westbrook Community Center and October 26 at Husson University, both at 9:00 am; contact Scott Morrison for more information bkmainevi@roadrunner.com or (207) 576-8612.

COACHES' ELIGIBILITY

*Each coach must complete the NFHS "*Concussion in Sport*" video that is available at the NFHS website (www.nfhslearn.com).

*Each coach must complete the NFHS "*A Guide to Heat Illness*" video that is available at the NFHS website (www.nfhslearn.com).

*Each coach must complete the NFHS "*Sudden Cardiac Arrest*" video that is available at the NFHS website (www.nfhslearn.com).

*Each coach must complete the NFHS "*Protecting Students from Abuse*" video that is available at the NFHS website (www.nfhslearn.com).

DIVING

Schools which offer diving must secure a qualified diving coach or coaches and must meet the MPA Coaches' Eligibility requirements. In order for divers to compete in a regular season meet, the designated MPA swim coach (meeting coaches' eligibility) must be present for the competition to take place. At both a regular season meet and the State meet, another qualified MPA eligible swim coach may take responsibility for divers from a team that their coach cannot attend due to being committed to another state meet.

SWIM MEET SCHEDULE

Swim meet schedule must be submitted by **December 4, 2026** in the online forms on the MPA website. For state meet qualification purposes, both genders may qualify at meets listed for a single gender. A \$50 late fee will be assessed the school for schedules not received by the **December 4, 2026** deadline. Make-up dates for postponed meets need to be emailed to statistician (sunseekr@myfairpoint.net).

In-person competition is always the preference in conducting swim meets. In the 2024-2025 season virtual meets are an acceptable option for complications due to illness, available pool time, transportation issues, and weather). All virtual meets must be concluded in the same week. The host school must report the results within 72 hours of completion by all teams involved.

RESULTS AND STATISTICIANS

ALL regular season, **both Boys' and Girls'**, results must be e-mailed to Ritchie Palmer at (sunseekr@myfairpoint.net). The HY-TEK Meet Manager is required for reporting all regular season meet results. **Entries for the state championship meet must be submitted with HY-TEK TEAM Manager.**

SCHOOLS RESPONSIBILITIES:

1. Only **HY-TEK Meet Manager** will be used to report meet back-up files to the statisticians. **TEAM Manager** will be used for State Meet entries.
2. The **host** team will be responsible for **e-mailing** a Meet Manager **back-up** to the statistician within **48 hours** of the meet. ***If results are not received within the 48 hours, the HOST team's results will not be accepted in the statistician's reports.*** Only e-mailed results will be accepted.
3. **The roster on HY-TEK and schedule (in excel) must be e-mailed to the statistician by December 4, 2026.**
4. **On-going meet results will be posted at:**
<https://sites.google.com/view/maineswimminganddiving/home>

ELIGIBILITY ROSTERS

Eligibility rosters can be adjusted during the season, but all swimmers must compete in four regular season swim meets to qualify for state meet competition. In the spirit of good sportsmanship, ethically the Swim Committee feels it is inappropriate to add a club swimmer to a school's roster late in the season.

COOPERATIVE INDIVIDUAL CLARIFICATION

Cooperative Individuals on cooperative teams must abide by the Cooperative Team Policy and practice with the host team each day. (MPA Article VI, **section 2**)

Coaches carrying cooperative individual swimmers must submit a HY-TEK list of individuals. A cooperative individual competitor must have competed in four interscholastic meets on four dates and have met the qualifying standard.

EJECTION RULE

In all team and individual sports (varsity or sub-varsity), ejection or disqualification from a game, meet, or match for unsportsmanlike behavior of any form, by a coach or a player shall result in the suspension of that player or coach. Once the regular season has begun, the coach or player ejected from a contest must sit out all contests, at all levels, until the coach or athlete completes the ejection penalty by sitting out the next game at the level from which he/she was ejected. This rule applies to a game, meet, or match suspended before completion as well as a completed contest. This penalty may not be served by sitting out an exhibition, sub-varsity, or other competition.

Prior to their return to play any player ejected from a game must complete the NFHS "Sportsmanship" video that is available at the NFHS website (www.nfhslearn.com).

A suspended coach may not be present at the game site. Not being physically present at the site means the disqualified coach is not to be present in the locker room, on the sidelines, in the stands, or site area before, during, or after the game/meet.

Prior to their return to the sideline any coach ejected from a game must complete the NFHS *"Teaching and Modeling Behavior"* video that is available at the NFHS website (www.nfhslearn.com).

Any coach or player ejected from the last game, meet, or contest of a sports season shall serve a one game suspension in the opening countable game, meet, or contest in the next varsity sport in which he/she participates. The player/coach may participate fully in the preseason prior to serving the one game suspension.

This policy will not prevent standing committees from imposing more restrictive disciplinary action. (Effective Date: 1996-97 Winter Sport Season; Revised 2008, 2009)

STATE CHAMPIONSHIPS

VALUABLES

Each school will be responsible for its own valuables. The facility in which the meet takes place, the Coaches' Association, the Swim League, the MPA, and the Meet Directors assume no responsibility for valuables left in locker rooms or lost while attending these championship meets. Appropriate locker space will be assigned to each team; however, due to the very large number of entrants, valuables should be taken with the team to the deck area. You may place them under your seats or bleachers.

Students receiving medals during the awards ceremonies at the championships must be attired in school/team uniforms. The wearing of hats other than hats that are part of uniforms are prohibited.

No temporary markings may be worn on bare skin by swimmers at MPA sanctioned meets.

Consistent with the MPA belief that coaches leading interscholastic activities serve as models and mentors for student-athletes, coaches directing their teams in interscholastic competitions sponsored by the MPA must maintain the standard of good taste and modesty in their attire.

Females may wear sports bras (black, white, or the same color as the swimsuit) under their swimsuits.

TEAM ON DECK

Teams will be issued credentials for swimmers who are participating and for coaches and a manager. A list of the names of all team personnel and their function (Relay Entrant, Coach, Manager) who are not entered in an individual event must be submitted to the meet director by the same deadline as the team entry. Any person not entered in an individual event or on that list will not be allowed on deck.

Committee member or site director is responsible for determining what is obscene, profane, or inappropriate. Bare-chested displays by any spectator will not be permitted.
